Attn: Chief Appraiser

Subject: YO Ranchlands Lot(s): _____

Many of the Ranchlands landowners have joined together to form an Exotics Production Cooperative. I have recently joined that Cooperative. A copy of the agreement covering that cooperative and my participation is attached. I filed this agreement and the signature page at the courthouse (Vol. _____, Pg. ____).

With this letter and it's attachments I/we, are hereby requesting the Subject property valuation for Agricultural purposes be continued, the previous valuation based on cattle grazing be ended and qualification now be on the basis of the production of Exotic Animals.

If you have questions or regarding this request or if a new application is necessary, please contact me at _____.
